// BIOGRAPHY

Conntex is a DJ & Producer from Germany and currently based in Berlin. Crafting a unique blend of stripped down and organic sounds, Conntex's productions have the ability to energize and move people on the dance floor, seamlessly blending dynamic rhythms and textures, while Groove always is a fundamental.

The music tells a story, engaging listeners with its rolling drive and intricately crafted soundscapes. His approach to techno is both sophisticated and accessible, inviting audiences into a musical journey with his productions resonating with a natural flow, making his sound distinct.
